University of Missouri-Rolla

The University of Missouri-Rolla has a rich and proud history of more than 100 years as a truly outstanding university specializing in engineering and science.

Founded as the Missouri School of Mines and Metallurgy in 1870, the name was changed to UMR when the present University of Missouri structure of four different campuses was established in 1964. The other campuses are located in Columbia, St. Louis and Kansas City.

In 1871, the first class of 28 students enrolled at the newly-established school. Today, there are about 5,500 students on the Rolla campus. But all this did not happen overnight or by chance. Until recent decades, enrollment at Rolla rarely exceeded 1,000. Peak enrollment during the 1920 boom was about 700 and during the 1930s, the enrollment slipped to less than 400. The period of greatest growth of UMR began at the end of the World War II when many veterans returned to classes. Today UMR offers undergraduate degrees in 24 departments in the School of Engineering, the School of Mines and Metallurgy and the College of Arts and Sciences. Students may receive M.S. degrees in 21 disciplines, Ph.D. degrees in 16 fields and the doctor of engineering degree in 10 disciplines.

The significant development at UMR has been matched in the field of intercollegiate athletics. Certainly one of the landmarks in athletics at UMR was completion of the new Jackling Field football stadium and the Gale Bullman multi-purpose auditorium-gymnasium in 1968.

But the true beginning of athletic prominence at Rolla can be traced back to 1888 when students formed informal teams for relaxation between classes. In 1891, an athletic association was organized to promote an interest in the various sports. About this time a field was enclosed and graded for sports activities.

Intercollegiate rivalry began with, of course, football. The first game was played with Drury College at Springfield in the fall of 1893. Expenses of the 15 men making the trip to Springfield were paid by the home team. It is also interesting to note that Harry K. Landis, then professor of mining and metallurgy, played right end in the game. There was apparently no objection to coaches or members of the faculty playing in those early contests. The Miners lost that first game, the only one played that year. But in the return contest in 1894, UMR avenged this loss with an 8-6 triumph.

Athletics continued to develop with construction of the old Jackling Field in 1912 and the Jackling Gymnasium in 1915. The famous 1914 football team established a record that will undoubtedly stand forever as a goal and inspiration to all Miners. This team beat its opponents by the fantastic spread of 540 points to 0, winning respect and attention from newspapers and sports writers throughout the land. The Miners were 8-0 during the regular season and then defeated Christian Brothers' College 27-6 in a post-season game in St. Louis. Under the modern rating systems, UMR would have ranked among the best in the nation.

This, then, is a quick look at the University of Missouri-Rolla. Members of the UMR community believe that intercollegiate athletics contribute to the total UMR commitment to academic excellence, leadership development and meeting the needs of the citizens of Missouri.

Miner Media Memos . . .

The 1980 University of Missouri-Rolla Media Guide is published for the use of area media representatives, as well as all others interested in Miner football. Requests for information regarding UMR's program, interviews, pictures, statistics, etc., should be directed to Gene Green, Sports Information Director, UMR Athletic Department, Rolla, Missouri 65401. Green's office phone is 314-341-4140, and he can be reached at home at 314-364-1277.

Press box: UMR has a 10-room press box for members of the working print media, scouts, spotters, scorekeepers and radio announcers. Admission to the press box is by pass only. Persons wishing to use the facilities must contact Green at least two weeks ahead of the game. Workers will receive programs, play-by-play accounts and complete statistics.

Statistic services: Besides final team and individual statistics, halftime flash stats will be produced. NCAA ditto masters will be used in all cases.

Radio Arrangements: Limited space is available for stations doing play-by-play, and stations will be assigned booths on a first-come, first-served basis. Those wishing to broadcast Miner home games must make their own arrangements with United Telephone System.

This media guide was edited and prepared by Gene Green, UMR Sports Information Director. Research assistance came from Jerry Berry, with Dick Hatfield designing the publication. Photographs are by Ernest Gutierrez, with selected action photographs courtesy of the Rolla Daily News.

Miner Moments

Thirty Years Ago—The 1950 season was quite a time for MSM football fans. The Miners finished the year with a 7-2 record, won the MIAA title with a 4-1 record and defeated Illinois State University 7-6 in the post-season Corn Bowl. The Homecoming win over Southwest Missouri, however, was probably the most exciting game of the season. The Miners came back from a 20-0 deficit to win the contest 35-34. Gene Huffman flipped a pass to Dick Jones for the tying points and the PAT provided the winning margin.

Head Coach Charlie Finley

UMR Head Coach Charlie Finley begins his ninth year at the helm hoping to improve on success.

Coming off a 7-3-1 record in 1979, the Miners return 33 lettermen, 20 seniors and five players who gained some type of all-MIAA honors last season.

"You can't call this a rebuilding year," Finley noted. "If our defense can keep on playing excellent football and the offense beefs up the attack, I think the Miners will be in fine shape."

Finley, a 1960 graduate of Southwest Missouri State University, has a 38-41-8 record as UMR head coach. He joined the Miners as an assistant in 1965, after coaching successful prep teams at Sarcoxie and Lebanon.

Defense remains a key for the 1980 Miners, and the squad has a strong tradition to uphold. In 1979, the defense was nationally ranked for most of the year and finished the season with the best statistics in the MIAA.

"I think we'll be strong again defensively," Finley said. "This group has been together for a long time and really gets the job done."

Gone are all-conference defenders Jim "Bo" Decker, Kevin Wolf and Jeff Wozek, but All-MIAA defensive backs Craig Heath and Bill Grantham return. At one of the linebacker spots will be MIAA first-teamer Morris Hervey, one of UMR's hardest hitters.

Offensively, the Miners have backs Jim Lee, Brian Paris and Oscar Berryman returning, with sophomores Dennis Pirkle and Chris Nesbit fighting it out for the quarterbacking duty.

Finley is hopeful that the team's passing game will improve in 1980 and feels such a development would aid the running attack.

"Pirkle and Nesbit will do a good job for us at quarterback, and we are all looking forward to having Jeff Walters at a receiving post for the entire season."

Walters, who posted a 12-4-1 record as a quarterback during the last few seasons, was moved to wide receiver last year when the Miners sought more speed at the position.

"It was hard for Jeff to move in the middle of the season," Finley said. "The conditioning is so different from one position to the other.

"He will really help us out there this season, and still may do most of the punting as well."

In the field goal department, Paul Suellentrop, Craig Thomas, David Prueter and Omar Mathis will be on hand to try and give the Miners some three-pointers.

"That is one area of our offense that I hope will be a lot better this year," Finley said. "Suellentrop was three-for-three during spring practice, so that was a good sign."

Although the Miner coaches were forced to tackle spring practice at half staff because of other coaching committments, Finley said the experience was rewarding.

"We were able to move personnel around and see what they can do at other

positions," he said. "You do not have time to go into that too much once the fall practice starts."

Finley said the coaching staff was able to change the offense around a little bit in spring practice and see how various players reacted under new systems.

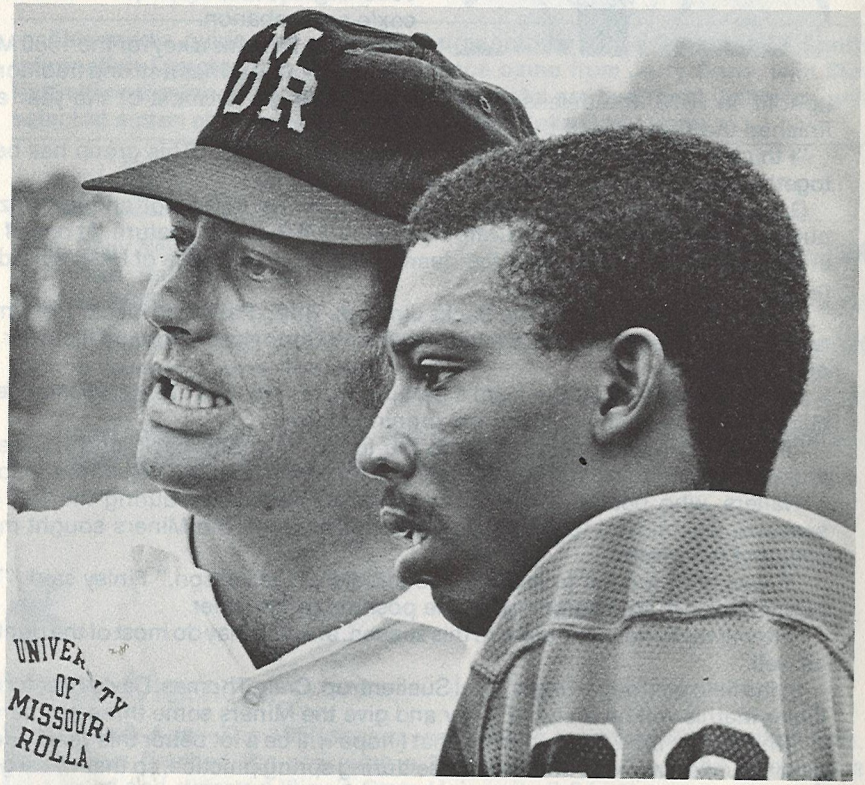
"We have a talented group of players, and I think we have recruited some of the best prep players in the state," Finley said.

"For instance, one of our main concerns is replacing a guy like Kevin Wolf at linebacker," Finley said. "Todd Fizer has shown a lot of promise in this area, and we also have a talented group of freshmen linebackers who could step into those big shoes of Kevin's."

Finley thinks the Miners will be right in the thick of the MIAA race, and sees Southeast Missouri and Southwest Missouri State as the toughest teams to beat in the conference.

"Northwest also was a surprise last year and should be tough again," Finley predicted. "But I'll tell you one thing—it is a lot harder to stay on top once you get there."

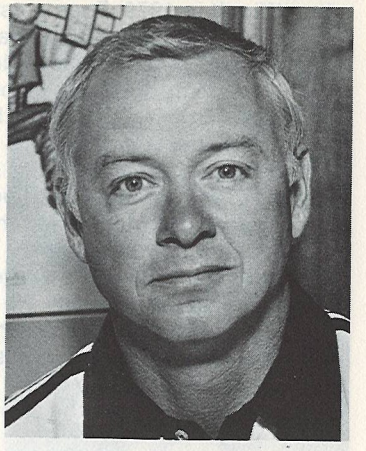
If the Miners can play good defense and the offense puts forth a timely scoring attack, the 1980 edition of UMR football may find a place atop the MIAA standings.



A look back...

Finley became head coach in 1972, and has led the Miner forces since that time. Shown here in his initial season, Finley speaks with former UMR player Eric Potts.

A.C. "Bud" Mercier: Defensive Backfield Coach.



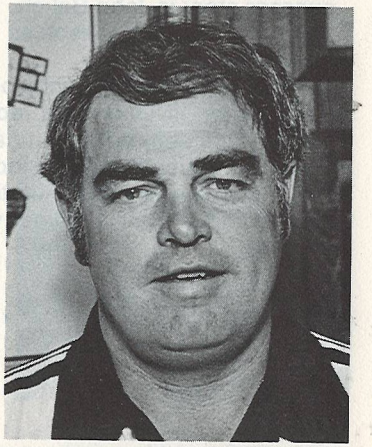
UMR's secondary had another fine season in 1979, picking off 25 passes and allowing only three touchdowns via the air. The group is the responsibility of Bud Mercier, now entering his third decade as a Miner coach.

A graduate of the University of Missouri-Columbia, Mercier played collegiate football for the Tigers. He joined the Miners in 1967 after eight seasons as a prep coach.

Mercier's other duties include serving as assistant athletic director and varsity golf coach.

He earned his master's degree from Arkansas State University.

Joe Keeton: Offensive Line Coach



Now in his 12th season, Joe Keeton continues to serve as the offensive line coach for the Miners. UMR outscored its foes 208-94 last season, and Keeton is hopeful of even brighter results in the new campaign.

Keeton is a graduate of Central Missouri State University, where he earned both his bachelor's and master's degrees. He was a varsity football player for the Mules.

The veteran coach joined the Miners after prep coaching experience and a stint as a graduate assistant at Kansas State.

In addition to his football chores, Keeton serves as UMR's wrestling coach.

Charles Broyles: Defensive Line Coach

Miner opponents found scoring to be difficult in 1979. Foes crossed the goal line only six times on the ground and were thrown for losses of 367 yards during the season.

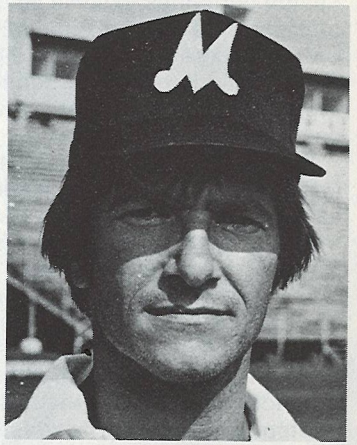
Charles Broyles, coach of the defensive line, is entering his seventh year in that capacity. A former prep football, wrestling and track coach, Broyles joined the Miners after completing his bachelor's and master's degrees at Pittsburg State University. He was a four-year letterman as a defensive tackle and also lettered in baseball.

Broyles coaches the UMR baseball team during the spring.

John Belich: Athletic Trainer

An important part of the Miner success story is John Belich, entering his fourth season as athletic trainer.

Belich received his bachelor's degree from West Virginia Tech and his master's degree from Indiana State University. His duties include the prevention and rehabilitation of injuries incurred by all Miner varsity athletes.

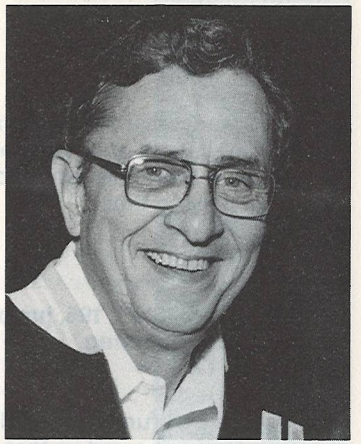


Billy Key: Athletic Director

Keeping things moving behind the scenes is Athletic Director Billy Key. When it comes to knowing the needs of a coaching staff, he should be well versed.

In addition to his AD duties, Key is entering his 17th season as Miner basketball coach and his 23rd campaign as a collegiate coach. Now in the top ten in career Division II wins, Key needs only two more victories to enter the 300-career win column in NCAA basketball.

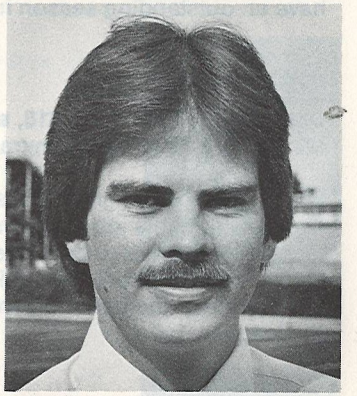
Key is a graduate of Central Missouri State University. He earned his master's degree from Washington University.



Gene Green: Sports Information Director

Now entering his second year as sports information director, Gene Green's duties include publicizing UMR sporting events and athletes, compiling statistics and editing all guides and programs for the Miners.

A 1975 graduate of Southern Illinois University at Carbondale, Green was a sports editor on the daily newspaper level for four years before entering the public information field. He is a past winner of the "Best Local Sports Coverage" award presented by the Southern Illinois Editorial Association.



Some unsung heroes . . .

No football season could be played without the help of some dedicated boosters who donate their time to help things function smoothly.

Rod Schaefer and Jerry Berry have recorded Miner statistics for many years and will once again this season. They are often assisted by spotters such as Homer Crowell and Kirk Ellis, who also lend a hand to the public address announcer. David Dearth has manned the PA system in the past and has kept Miner fans informed of each play.

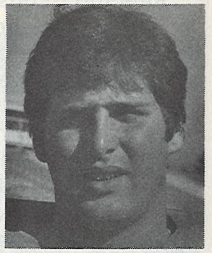
Operating the scoreboard once again will be Charles Remington, Hank Sauer and Dick Smith. The trio has performed the duty for many seasons and deserve our thanks.

On the chain gang, supporters such as Nord Gale, Jimmy Hatchett and Gary Broyles are counted on during the long football season.

The UMR Athletic Department would like to say thanks . . . Miner Football couldn't operate without your help!

Finley comments on the returning lettermen:

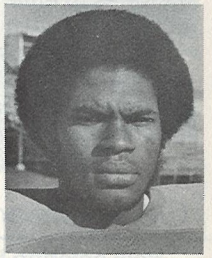
Rusty Adams



Tight end, 6'3", 224, senior
Engineering Management
(Jackson, MO)

Adams lettered last season as a second-team tight end. We look for him to be in there this year and fight for more playing time.

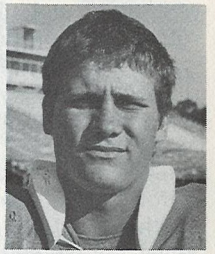
Oscar Berryman



Running back, 5'9", 195, junior
Electrical Engineering
(St. Louis, MO)

After moving to running back last season, Oscar showed us that he has tremendous potential at the position. He was slowed last season with a leg injury, but the Miners look for him to have an outstanding season in 1980.

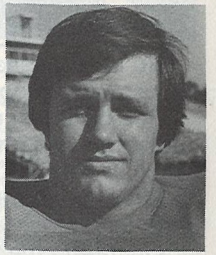
Steve Bridgeman



Defensive tackle, 6'2", 218, senior
Mining Engineering (Palmyra, MO)

Bridgeman looked great this spring and held onto his job at defensive tackle. Steve looks to be bigger and stronger this season, and I think he will be one of the better defenders in the league.

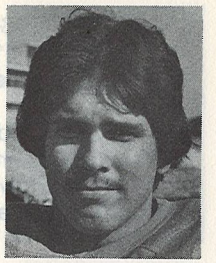
Russ Cornett



Defensive tackle, 6', 215, senior
Electrical Engineering
(Independence, MO)

Russ played in a back-up role to Jim Decker last season and now has a chance to prove himself for a starting job. Russ has always done a fine job when called upon, and will probably be fighting Bob Pressly for the post.

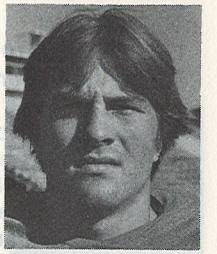
Steve DelaRoche



Strong safety, 6', 176, senior
Economics (Florrisant, MO)

Steve started at strong safety last season in the absence of Steve Teter. We feel he can push his way into a starting role because he is a good, versatile football player.

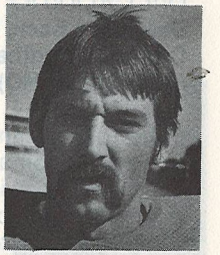
Paul Demzik



Defensive end, 6', 175, sophomore
Engineering Management
(St. Louis, MO)

Paul is one of those players who doesn't look big enough, but he can really play. He also did a great job for us in special team roles and looked great in spring football practice. We look for Paul to do some great things for the Miners this year.

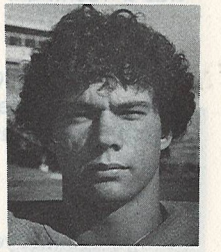
Buck Durham



Defensive end, 6'2", 211, junior
Civil Engineering, (Benton, IL)

The first thing that comes to mind is Buck's size, strength and aggressiveness. He is a versatile player, and the Miners will find a place for him to see a lot more action this season.

Jon Falke

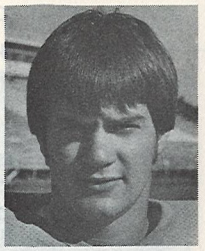


Running back, 5'11", 176, junior
Civil Engineering (St. James, MO)

Jon did a fine job for us last year in a back-up role and looked real strong in spring practice. Falke's main points are his good speed, quickness and running strength.

David Fischer

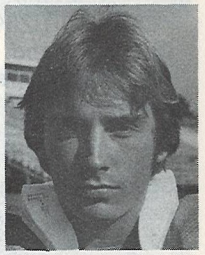
Running back, 5'9'', 181, junior
Chemical Engineering (Mayfield, KY)



David has started some games at fullback for us and will play a lot in 1980. He is known for his fine blocking ability and quick moves in the line.

Todd Fizer

Linebacker, 5'10'', 193, junior
Mining Engineering (Belleville, IL)



Todd started a couple of games for us when Wolf was hurt last year and did very well when given the chance to play. We think he will be in the thick of the fight for one of the starting linebacker spots this fall. He is an all-around good player.

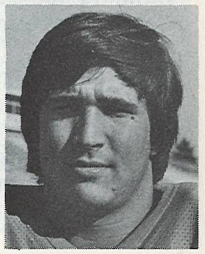
Bill Grantham

Defensive back, 6', 191, senior
Chemical Engineering
(Springfield, MO)

Bill was first-team MIAA last year and was coming off a season in which he led the nation in interceptions. He has earned such a good reputation at UMR that some teams will not throw in his area. Bill has been an outstanding player for us since he was a freshman.

Kevin Griesemer

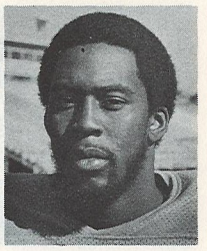
Offensive tackle, 6'3'', 223, junior
Engineering Management
(Kankakee, IL)



Kevin was in the starting lineup for a few games last year and showed us that he can handle the job. He could be a very outstanding lineman this fall.

Craig Heath

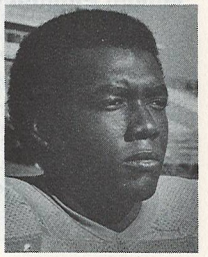
Defensive back, 6', 193, senior
Electrical Engineering,
(Kansas City, MO)



Another first-team MIAA defensive back, Craig also led the Miners in total return yardage, tied a school record for interceptions in a game (three) and was used on offense a couple of times. He has exceptional quickness and is an outstanding athlete.

Morris Hervey

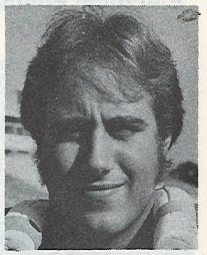
Linebacker, 6', 192, senior
Mining Engineering (St. Louis, MO)



Morris was first-team MIAA as a linebacker, and worked very well with Kevin Wolf last season. He is quick, aggressive and 100 percent tough. He is also a good team leader and one of the hardest hitters on the UMR squad.

Dan Holman

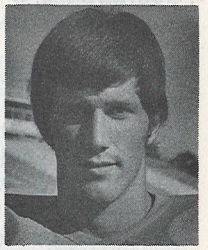
Tackle, 6'3'', 220, senior
Mining Engineering
(St. Charles, MO)



Dan was used mostly in a reserve role year and he was able to come into the game and do a real good job for us. He should progress well in 1980 and fight for the starting strong tackle spot.

Paul Janke

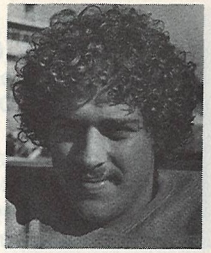
Offensive guard, 6'3'', 200, senior
Chemical Engineering,
(Mexico, MO)



Paul is a very versatile player who was moved from linebacker to quick guard. He sprained his knee in spring football, but we think he will be ready to go for the season and will do a fine job. Paul has always shown us that he is an outstanding athlete.

Jim Lee

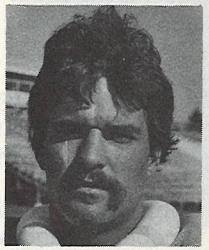
Running back, 5'9'', 191, senior
Economics (Rolla, MO)



Jim led the Miners in rushing last year and was among the conference leaders. We were using him in spring practice at wing back. Jim has exceptional quickness and good running sense.

Jim Lloyd

Center, 6', 200, junior
Mining Engineering (Joplin, MO)



Jim was a reserve center last year, starting part of the Miner games. Since our center from last season has left school, he will be going into this fall as the number-one center. Jim did a good job for us in spring practice.

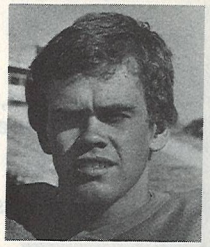
Terry McDonald

Wide receiver, 5'10'', 175, junior
Electrical Engineering
(Cameron, MO)

Although Terry didn't play too much last season, the coaching staff was really impressed with his effort once he was given the chance. He is an exceptional blocker and has good hands. The Miners can hopefully use him a lot more this season.

Chris Nesbit

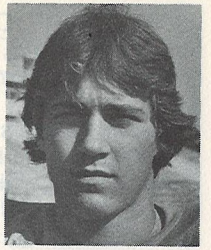
Quarterback, 6'1'', 190, sophomore
Engineering (Brentwood, MO)



Nesbit started the last few games of 1979 for us, and we were very impressed with his strong arm. He didn't hit the high percentage of passes that we would have liked, but he was quick in the pocket and will be in the running for the starting position.

Brian Paris

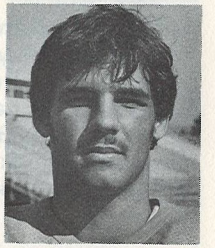
Running back, 6'1'', 215, junior
Mechanical Engineering
(Bethalto, IL)



Brian led the nation in scoring for part of 1979 and paced the Miners in that category for the season. He broke the team record for points scored in a game, tallying 24 points against Evangel College. Brian is big and strong, plus he ran a 4.8 40-yard dash in spring football practice.

Dennis Pirkle

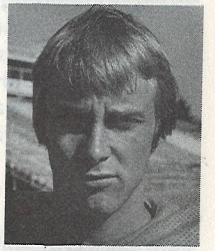
Quarterback, 6'2'', 195, sophomore
Petroleum Engineering
(Oak Lawn, IL)



Dennis started a few games for the Miners last season and showed that he has the ability to hit a high percentage of his passes. He is not that quick in the pocket, but stays very cool under pressure. He also will be a contender for the starting quarterback job.

Rod Rogers

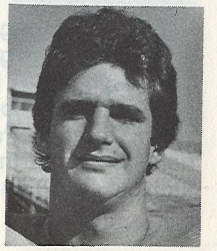
Defensive back, 6', 175, senior
Chemical Engineering
(Springfield, MO)



Rod has done a fine job in a reserve role behind a very talented secondary. He has done a great job when called upon. He was slowed somewhat the last couple of years by a knee injury.

Kelly Rudolph

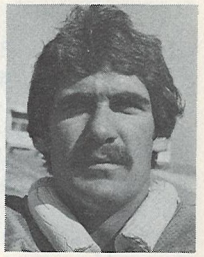
Defensive end, 6'2'', 208, senior
Metallurgical Engineering
(Overland Park, KA)



Kelly got off to an outstanding start last year, but a leg injury slowed him down. He is a fine player who is now back at full strength and the UMR coaching staff looks for great things out of him this season.

Bob Sonntag

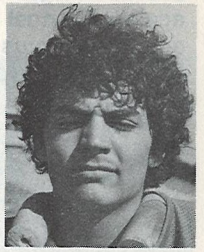
Offensive guard, 6'3'', 218, senior
Economics (Farmington, MO)



Bob has been a starter for the last two seasons. He is a team leader who should continue to do his usual fine job for the Miners.

Matt Stone

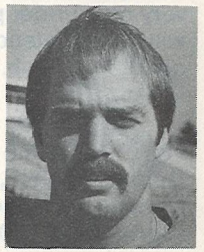
Nose guard, 6'2'', 210, senior
Petroleum Engineering
(Kirkwood, MO)



Matt has been an outstanding special team player for us, blocking various punts during the last couple of seasons. He has played in a back-up role to Bridgman in the past, but we look for him to battle for a starting nose guard position this year.

Ed Stuckey

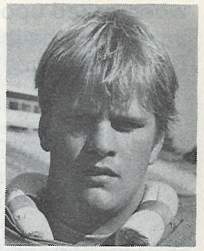
Tackle, 6'2'', 220, sophomore
Civil Engineering (Kenosha, WI)



Ed snapped long on punts and extra points last season, but was moved from center to strong tackle in spring practice. He looked real good at the new post, and the Miners still may use his services at the long snap in 1980.

Paul Suellentrop

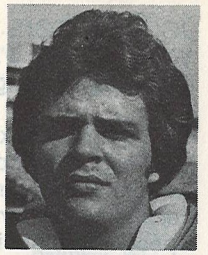
Defensive end, 6'3'', 218, junior
Chemical Engineering
(Crestwood, MO)



Paul started out great last season as a kicker, but his game went downhill after a leg injury. He also did a fine job on defense for the Miners. In spring football, Paul was 3-3 in the field goal department, hitting on kicks of 42, 48 and 38 yards.

Scott Teter

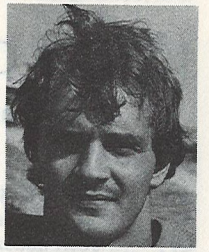
Running back, 5'11'', 180,
sophomore
Engineering Management
(Bridgeton, MO)



Scott shared playing time with Jimmie Lee last year and did a great job for a freshman. We think he will be even better in 1980 and should help the team quite regularly.

Steve Teter

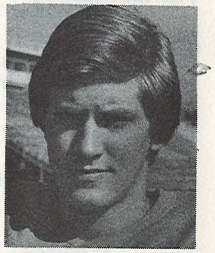
Safety, 6'1'', 178, senior
Engineering Management
(Bridgeton, MO)



Steve was injured early in the 1979 season but came back to start the last few games at strong safety. He is a good steady player that we have been able to count on.

Hal Tharp

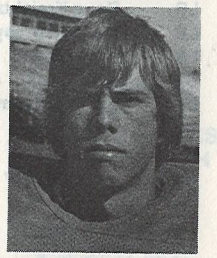
Defensive back, 6'2'', 181, senior
Electrical Engineering
(Danville, MO)



Hal has started games for the Miners since he was a sophomore. He is a steady player who has shown improvement each season, and we look for good things from him again this campaign.

Craig Thomas

Kicker, 5'9'', 171, sophomore
Engineering Management
(Marshfield, MO)



Becoming our kicker near the end of the season, Craig did a good job for UMR. He also saw some duty in the secondary, but his primary duty for the Miners in 1980 probably will be in the kicking department.

Jeff Walters

Wide receiver, 6'2'', 204, senior
Civil Engineering (St. Louis, MO)

As a quarterback for the last couple of seasons, Jeff did a fine job for the Miners. He was moved to wide receiver last year to give us more speed at the position and did a good job. He is big, fast and is an outstanding football player.

1979 All-Conference Teams

First-Team-Offense

Pos.	Name	School
WR	Ricky King	Lincoln

Miner Moments

Forty-five Years Ago—The Miners finished the season with a 1-6 record, with only win coming in the form of a 6-0 whitewash of McKendree College.

1980 Football Roster

Returning Squad

NAME	POS.	CLASS	HT.	WT.	HOMETOWN

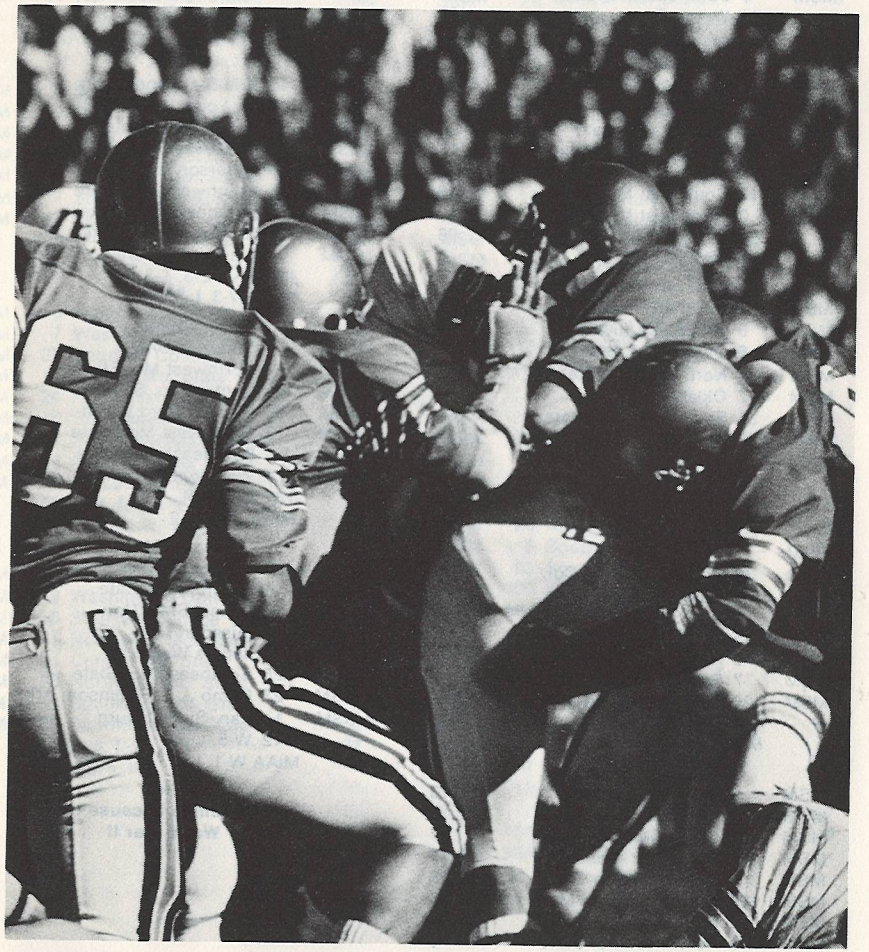
Perry Harris	Andy Lain	Jeff Wozek
Robert Hunke	Ron Replogle	Walter Johnson



Defense...defense

Enemy runners found it hard to run against the Miners last season. Here the UMR defenders floor an opposing back as he hits the line.

Results Since 1935

The Miners entered the MIAA in 1935.
Listed below are the scores of all games played since then.

1935

Miner Moments

Five Years Ago—Sept. 6, 1975: UMR lost its opening game with Missouri Valley 28-14, despite a tremendous passing performance by Miner quarterback Greg Haug. Haug fired the ball for 237 yards, including touchdown passes to Stu Dunlop and Steve Townsell. On Nov. 22, UMR upset Southwest Missouri State 20-7, with Haug throwing three touchdowns to lead the Miner attack. This was the only win of the season, as the Miners finished 1975 with a 1-8-2 mark.

Forty Years Ago—The Miners were 3-3-2 in 1940, opening the campaign with a 39-12 victory over Arkansas State University. Their next win was a 25-0 shutout of Northwest Missouri State, breaking the club's 21-game winning streak. MSM's other win came against Northeast Missouri State, as the Miners handed them a 7-0 loss. One of MSM's ties came in a 7-7 Homecoming game against Southeast Missouri State, as Dick Cunningham scored on a 79-yard opening kickoff play for the only score for the home club.

Miner Moments

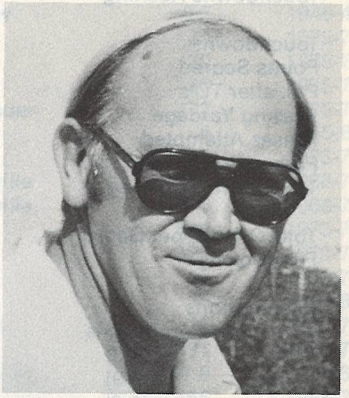
Ten Years Ago—The Miners finished the 1970 season with a 6-3-1 record, reeling off five straight wins to start the schedule. Parent's Day provided the biggest thrill, as UMR blasted University of Illinois-Chicago Circle 53-0! Steve Kubiak rushed for 161 yards and the Miner passing attack rolled up 231 yards with Pat Goodwin passing for four touchdowns. Kubiak came back a couple of weeks later and rushed for 227 yards in a 54-21 win over Northwest Missouri State. UMR ended the season with a 14-7 win over Lincoln as Bob Berry scored the Miners' only two touchdowns, caught the only two completed passes and carried the ball 46 times for a new school record.

Fifty Years Ago—The 1930 season was a good one for the Miners, as they finished with a 5-1-1 record. MSM recorded three straight wins to start the season and later defeated Missouri Valley 38-7 in the first night game ever played by a Miner team!

William Penn College

Sept. 6 at Rolla
Kick-off at 1:30 p.m.

Location: Oskaloosa, Iowa
Enrollment: 600
Colors: Blue and Gold
Nickname: Statesmen
Athletic Dir.: Leon Richardson
Head Coach: Jim Spry (Wm. Jewell '62)
Record: 83-60-3 (16 years)
Last year's record: 2-8
Field: Community (6,000)
Assistants: Duane Palcic, Pete Kendall, Tom Eppenly and Wayne Mosby.
Lettermen lost: 5 Returning: 31



Jim Spry

Scouting Report:

The Miners started out last season by defeating William Penn 43-0 and will try to begin the new campaign in similar style.

1979 was a tough season for Spry's club as it won only two games during the long schedule. This year 31 lettermen return, so the veteran skipper is hopeful the Statesmen can improve with the added experience.

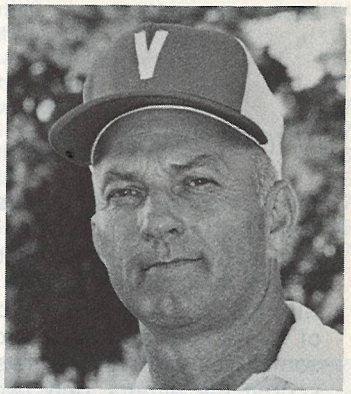
For more on the Statesmen:

Contact Jim Spry, Head Football Coach at 515-673-8311

Missouri Valley College

Sept. 13 at Marshall, Mo.
Kick-off 7:30 p.m.

Location: Marshall, Mo. 65340
Enrollment: 375
Colors: Orange and Purple
Nickname: Vikings
Athletic Dir.: Kenneth Gibler
Head Coach: Kenneth Gibler (MVC '57)
Record: 90-27-6 (12 years)
Last year's record: 7-2-1
Field: Gregg-Mitchell (3,200)
Assistants: Grover Redford, Reed Kepner, Bob Thompson and Mark Dybema.
Lettermen lost: 13 Returning: 24



Ken Gibler

Scouting Report

The winning formula at Missouri Valley is still intact.

After a 7-2-1 season in 1979, Gibler raised his 12-year record at the 375-student college to an amazing 90-27-6, producing another hard-hitting Viking squad.

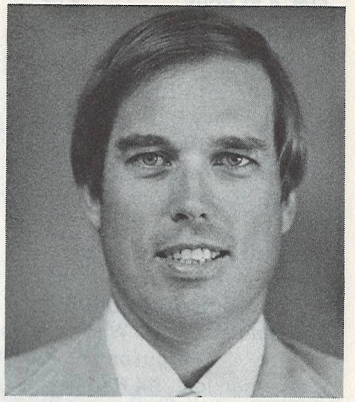
For more on the Vikings:

Contact Kenneth Gibler, Athletic Director at 816-886-6924.

Pittsburg State University

Sept. 20 at Rolla
Kick-off at 1:30 p.m.

Location: Pittsburg, Kansas 66762
Enrollment: 5,200
Colors: Crimson and Gold
Nickname: Gorillas
Athletic Dir.: Bill Dickey
Head Coach: Ron Randleman (Wm. Penn '64)
Record: 72-35-3 (12 years)
Last year's record: 8-3
Field: Brandenburg (7,500)
Assistants: Bill Samuels and Bruce Polen
Lettermen lost: 11 Returning: 37



Ron Randleman

Scouting Report:

The Miners defeated the Gorillas 24-10 last season in one of the best-played games of the year.

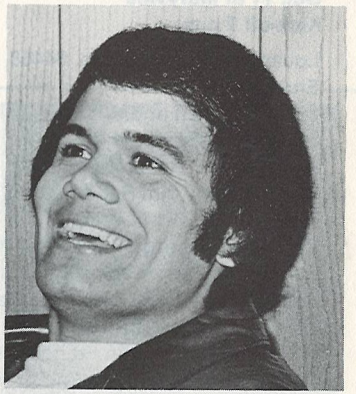
UMR took advantage of some early Pittsburg State injuries and went on to dominate play at Brandenburg Stadium.

Pittsburg State, however, proved itself very tough as the year went along. Among their victims: MIAA champion Northwest Missouri State, Missouri Western and Peru State, which they defeated in the Boot Hill Bowl. The Gorillas also came within reach of the Southwest Missouri Bears, losing a 41-37 shoot-out on SMS's home turf.

Evangel College

Sept. 27 at Springfield, Mo
Kick-off 1:30 p.m.

Location: Springfield, Mo. 65802
Enrollment: 1,612
Colors: Maroon and White
Nickname: Crusaders
Athletic Dir.: Aundrae Curtis
Head Coach: Denny Duron (La. Tech '74)
Record: 9-22 (3 years)
Last year's record: 1-10
Field: John F. Kennedy (6,200)
Assistants: Paul Burgard, Phil LaPorta and David Welch.
Lettermen lost: 18 Returning: 45



Denny Duron

Scouting Report:

After suffering through a 1-10 season in 1979, Evangel looks for brighter things ahead.

The Miners blasted the Crusaders 37-0, setting individual records in interceptions (three by Craig Heath) and in touchdowns (four by Bryan Paris).

Evangel will be learning to operate from the "I" formation this year, changing over from last season's veer formation. On defense, look for Evangel to switch to a "split-four" with eight down linemen.

For more on the Crusaders:

Contact Dave Fillmore, Sports Information Director at 417-865-2811 (Ext. 260). Fillmore's home phone is 417-833-3893.

Lincoln University

Oct. 4 at Rolla
Kick-off time 1:30 p.m.

Location: Jefferson City, Mo. 65102
Enrollment: 2,500
Colors: Navy Blue and White
Nickname: Blue Tigers
Athletic Director: Don Hudson
Head Coach: Curt Gentry (Maryland ES '66)
Record: 1st year as coach
Last year's record: 4-7, 1-5 (7th)
Field: Lincoln Stadium (5,600)
Assistants: Gerald Walker, Kenneth Ferguson and Ken Woods.
Lettermen lost: 14 Returning: 35

Scouting Report

The Miners whipped Lincoln 24-7 last season, as the Blue Tigers finished the schedule with a 4-7 mark. They were 1-5 in MIAA action, placing them in the cellar.

This year's team may have a new look, however, as first-year coach Curt Gentry tries to mold his 17 returning starters into a winning club.

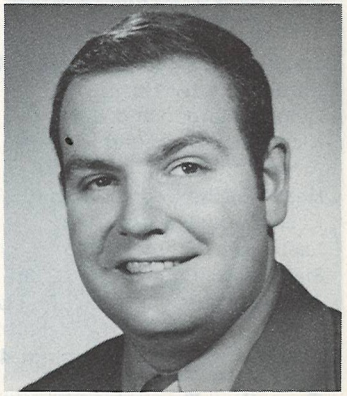
For more on the Blue Tigers:

Contact Bob Brendel, Sports Information Director at 314-751-4009.

Northwest Missouri State

Oct. 11 at Maryville
Kick-off 2 p.m.

Location: Maryville, Mo. 64468
Enrollment: 4,401
Colors: Green and White
Nickname: Bearcats
Athletic Dir.: Richard Flanagan
Head Coach: Jim Redd (NWMS '66)
Record: 19-23-1 (4 years)
Last year's record: 6-5-0, 5-1-0 MIAA (1st)
Field: Rickenbrode (7,000)
Assistants: Dave Evans, Paul Read, Ron Barnes and John Frangoulis.
Lettermen lost: 12 Returning: 34



Jim Redd

Scouting Report:

1979 was quite a year for the Bearcats!

Northwest Missouri will now try to continue an amazing story of success that saw them go from a winless, last-place team in 1978 to the MIAA title last season.

The Bearcats return eight starters on offense and defense, with 14 of those players earning some type of MIAA award last year.

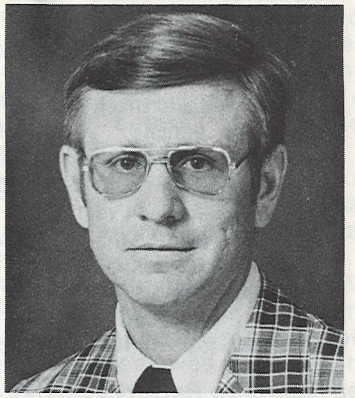
For more on the Bearcats:

Contact Larry Cain, Sports Information Director at 816-582-7141.

Southwest Missouri State

Oct. 18 at Rolla
Kick-off at 1:30 p.m.

Location: Springfield, Mo. 65802
Enrollment: 14,600
Colors: Maroon and White
Nickname: Bears
Athletic Dir.: Aldo Sebben
Head Coach: Rich Johanningmeier (SMS '64)
Record: 26-12-1 (4 years)
Last year's record: 7-4, 3-3 MIAA (3rd)
Field: Briggs (7,000)
Assistants: Bill O'Neill, Danny McNamara, Mickey Kwiatkowski and Butch Connor.
Lettermen lost: 11 Returning: 25



Rich Johanningmeier

Scouting Report:

The Bears ripped UMR 27-3 last season, but ended up in a third-place tie with the Miners when the dust settled.

Southwest Missouri should be tough once again, as top ground gainer Mark Daniels returns for another season. The big runner scored 17 touchdowns last year and gained 1,039 yards for the Bears. Also back is top receiver Steve Newbold, who grabbed 35 tosses in 1979 and scored six touchdowns. Talented back John Gianini will also be back after sitting out much of 1979 with an injury.

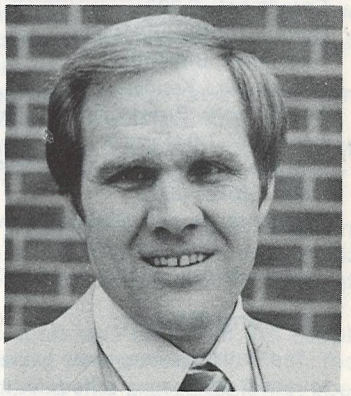
For more on the Bears:

Contact Mark Stillwell, Sports Information Director at 417-836-5139. Stillwell's home phone is 417-883-5452.

Central Missouri State

Oct. 25 at Warrensburg, Mo.
Kick-off time is 1:30 p.m.

Location: Warrensburg, Mo.
Enrollment: 9,500
Colors: Cardinal and Black
Nickname: Mules
Athletic Dir.: Roger Denker
Head Coach: Alan Molde (Ph.D. Utah '71)
Record: 1st year as coach
Last year's record: 3-7, 2-4 (6th)
Field: Vernon Kennedy (12,000)
Assistants: Emmitt Thomas
Lettermen lost: 12 Returning: 37



Alan Molde

Scouting Report

UMR slipped past the stubborn Mules team 9-0 to finish out the 1979 schedule. Central defenders gave up an average of 26.8 points a game last year, while the offensive tallied only 13.3 points a contest.

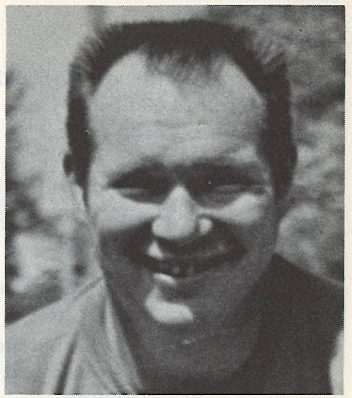
For more on the Mules:

Contact Steve Weller, Sports Information Director at 816-429-4312.

Southeast Missouri State

Nov. 8 at Rolla
Kick-off 1:30 p.m.

Location: Cape Girardeau, Mo. 63701
Enrollment: 8,500 •
Colors: Red and Black
Nickname: Indians
Athletic Dir.: Marvin Rosengarten
Head Coach: Jim Lohr (SEMS '56)
Record: 39-24-3 (11 years)
Last year's record: 5-5-1, 4-2 MIAA (2nd)
Field: Houck (10,000)
Assistants: Dennis Parker, John Gabrisch and Carl Gross.
Lettermen lost: 14 Returning: 28



Jim Lohr

Scouting Report:

Southeast Missouri State lost to the Miners 9-6 last year in Cape Girardeau, and the rivalry produced one of 1979's closest games.

The Miners, then one of the top-ranked defensive teams in the nation, handed the Indians their first conference loss of the season.

Ernest Edwards will again pace the SEMO ground attack, with Roland Johnson snaring the passes of Joe Young and Scott Mosley.

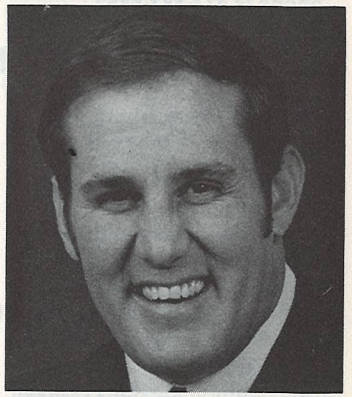
For more on the Indians:

Contact Ron Hines, Sports Information Director at 314-651-2294.

Northeast Missouri State

Nov. 15 at Kirksville
Kick-off 1:30 p.m.

Location: Kirksville, Mo. 63501
Enrollment: 6,000
Colors: Purple and White
Nickname: Bulldogs
Athletic Dir.: Kenneth Gardner
Head Coach: Bruce Craddock (NEMS '66)
Record: 4-7-0 (1 year)
Last year's record: 4-7-0, 3-3 MIAA (3rd)
Field: Stokes (5,000)
Assistants: Donnie Gaddis, John Smith and Gary Evans.
Lettermen lost: 13 Returning: 23



Bruce Craddock

Scouting Report:

The Bulldogs were three games under the .500 mark last year, but played one of the toughest non-league schedules to be found. Among the strong opponents were Eastern Illinois, South Dakota and Drake University.

Craddock's crew beat the Miners 3-2 in last year's battle, as UMR was thwarted in a last-minute goal-line attempt to pull the game out of the bag.

For more on the Bulldogs:

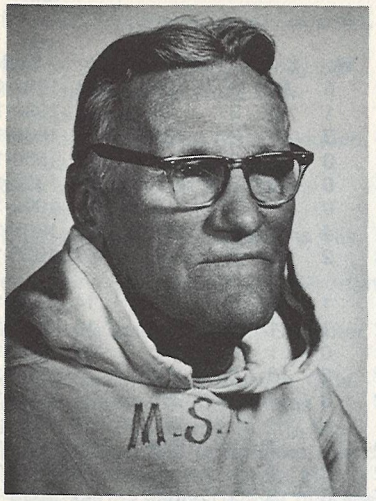
That Miner tradition . . .



A respected name in UMR/MSM football history gained national recognition this summer when former Athletic Director Gale Bullman was enshrined posthumously in the National Association of Collegiate Directors of Athletics (NACDA) Hall of Fame.

The July 16 ceremonies took place at Caesar's Palace in Las Vegas, Nev., as Mrs. Gale Bullman was on hand to accept the award.

Bullman, who coached for the Missouri School of Mines (later to become University of Missouri-Rolla) during four different decades, was selected by NACDA's Honors and Awards Committee this spring.

Bullman became athletic director at the University in 1937, working during the next 31 years to make the intercollegiate and intramural programs among the best in the state.

"We were thrilled with this announcement," UMR Athletic Director Billy Key said. "It was another outstanding award for a person who dedicated his life to a quality program at MSM and UMR." Bullman died in 1977.

"I am sure I speak for the University, the alumni and the community when I say we thank the honors and awards committee for selecting Gale," Key said. "He was a great athlete, an outstanding coach and an excellent athletic director."

Born in Lesterville, W. Va. in 1901, Bullman attended Marietta (Ohio) High School and West Virginia Wesleyan College.

During this time, he earned 26 athletic letters in football, basketball, baseball and track.

In his final year in college, 1924, Bullman was named to the football All-American team as well as captain of the baseball and basketball squads. He also competed as a hurdler on the track team.

After graduating, Bullman had stints in semi-pro baseball and professional football, before joining the athletic staff of Washington University.

On Aug. 1, 1937, Bullman left the post after nearly a decade and joined the Missouri School of Mines (now UMR) as head football coach and director of athletics.

Aside from service in the armed forces, Bullman remained at UMR until 1968, when mandatory retirement put an end to his athletic duties. He had resigned as football coach four years earlier but had stayed on as athletic director.

While Bullman's record as an athletic director was excellent, he supplemented this talent with expertise on the field. In 24 seasons, the Miner football teams had a 65-48-6 record and also during this period Bullman spent many summers with various professional football teams working as a special coach.

Bullman's interest in the University's students was a mutual bond, as those who knew him left the campus with great respect and admiration for him.

All-Time Records vs. Foes

91 different teams representing 16 different States

It started long ago...

Although the uniforms are different, this group of Miners was groomed much like present-day athletes. The year of the photo...1895!
